POSTAL RATE COMMISSION  
OFFICE OF THE SECRETARY

**Notice of Intervention  
by  
Dr. John Stapert**

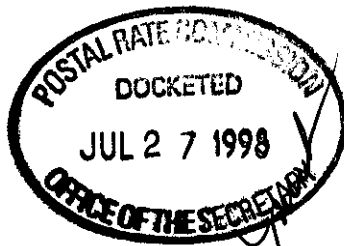

Pursuant to 39 C.F. R. §3001.20, I hereby indicate my interest in participating in the Postal Rate Commission proceeding to consider the Postal Service's Request for a Market Test and Experimental Mailing Online Service.

My intervention in this proceeding is to be as a proxy for the Coalition of Religious Press Associations (CRPA). Beginning with R87-1, I have represented CRPA before the Commission in several rate and classification proceedings.

Owing to the short time line suggested by the Postal Service for this proceeding, it is not feasible to obtain each religious press association's explicit concurrence and support for an intervention on behalf of CRPA. My activities in the proceeding will, however, reflect the interests of CRPA.

The religious press may have a significant interest in the Postal Service's proposed Mailing Online Services. Certainly the religious press has an interest in the adequacy and integrity of the market testing which the Postal Service proposes to conduct.

Respectfully submitted,

  
Dr. John Stapert
